

Dear Families,

Welcome to Preschool at Walnut Creek Elementary!

My name is Amanda Dial, and I am delighted to be your child's teacher this year. The paraprofessional in our class is Ms. Patricia Walker. You can find out more about me on our class webpage, which is under "Faculty/Staff" on the school webpage, or at this link: <https://schoolwires.henry.k12.ga.us/Page/98578>. Please check it often for updates and classroom information.

As you know, we will be beginning the school year in a remote learning format. This will be a learning process for all of us, but I know that if we work together as a team we will do great! Each preschool student will receive a district-issued iPad and other remote learning resources, including a dry erase board, printed materials, and hands-on materials. We will be scheduling periodic pick-up days to give out additional resources throughout remote learning.

Staying in contact with each other will be important during this time. I have included my contact information below. Please confirm that I have your most up to date phone number and email information as well.

Our main learning platforms will be *Google Classroom* and *Google Meet*. These are available on your child's district-issued iPad. For these to work correctly, your student will need to be signed in with his or her Henry County Schools email and password. This information has been attached to this letter and I can share it with you anytime you may need it. Also attached to this letter is our daily preschool schedule.

I know there will be many questions as we all navigate this experience, so please do not hesitate to contact me. I look forward to working with you and getting to know your child!

Thank you,

Amanda Dial
